

ProTeach

Is it time to start working toward your ProTeach Portfolio to earn your Professional Certificate?

Do you hold a Residency Certificate?

Do you have a minimum of two years of successful classroom teaching?

Have you heard that you need to complete some ProCert Program or a ProTeach Portfolio?

If you answered yes, it is time to begin thinking about your professional certification!

GET STARTED TODAY

It is recommended that portfolios be submitted to the ProTeach Portfolio at least 18 months in advance of residency certificate expiration. Let ESD 112 guide you and support you through the professional certification process.

ESD 112 host ProTeach Cohorts each term and can help you put together your ProTeach Portfolio. Portfolio requirements included three final entries that will be submitted for evaluation to the ProTeach Portfolio as administered by the Professional Educator Standards Board.

- » Entry 1: Professional Growth and Contributions
- » Entry 2: Building a Learning Community
- » Entry 3: Curriculum, Instruction, and Assessment
