Important Information about the Parent U Subscription Form

Page 1 includes information and instructions. Use the subscription form on Page 2 to subscribe to any or all of the following Parent U video series.

Internet Safety Series

This series consists of five professionally-produced videos that provide parents with current information about social media, cyberbullying, sexting and more. Parents will gain insights and ideas on how to talk to their children about behaving ethically and staying safe online.

- Today's Technology: What's New with Mobile Apps
- On The Move: Kids and Mobile Devices
- Cyber-Bullying: A Child's Nightmare
- Digital Footprints: Forever There
- Sexting: A False Sense of Popularity

Parenting Series (Availability TBD)

Parenting is hard. And being a parent can leave an adult feeling alone and frustrated. This series will provide parents with ideas on practical ways to help their kids succeed in school, and ideas for avoiding or solving behavior problems.

- Early Behavior: Keeping the Calm (Grades K-5)
- Study Skills for Elementary Students (Grades K-5)
- Study Skills for Older Students (Grades 6-12)
- Addressing Problematic Behaviors (Grades 6-12)

Critical Conversations Series (Availability TBD)

The world sends so many mixed messages to kids. Most parents don't want their children involved in drugs or alcohol, but kids get so confused when marijuana has been legalized, or when they see their parents using drugs or alcohol. This short series will provide parents with critical information that will help them have meaningful conversations with their child.

- Current Drug Trends
- Understanding Marijuana in a Legalized State

IMPORTANT INFORMATION ABOUT YOUR PARENT U SUBSCRIPTION

Districts that subscribe to a password-protected series can share the password through newsletters and private email messages. **The password may not be shared on any public webpage or social media site.** Annual subscriptions expire on August 31 each year.
