

BGPS Smarter Balanced Parent Night

Working together to prepare students for Smarter Balanced Assessments

The Smarter Balanced assessment has replaced existing state tests in English and math for grades 3-8, 10 and 11 beginning in the 2014-2015 school year. These new assessments measure students' learning of the new state standards and will provide parents and teachers with better information to monitor student progress and help them be successful in their learning.

Parents are invited to attend any of three upcoming Smarter Balanced parent information nights to learn more and ask questions. No RSVP required.
