

Educational Service District 112

Special Education ESA

Come Work With Us!

ABOUT ESD 112

Our Special Education Service Agency (ESA) works with more than 2,000 special education students in 27 districts throughout Southwest Washington, and several other areas of the state.

One of nine Educational Service Districts statewide, ESD 112 primarily serves the six counties of Southwest Washington, where we have been a key partner in creating and delivering educational programs for the past four decades. Through partnerships, cooperatives, state and federal grants, and fee-for-service work, ESD 112 helps districts leverage their resources to make programs more efficient and save money. Our innovative strategies have been replicated across the country.
